

Spring is here

Welcome to term 4's newsletter. Life has been busy as usual at the KPA –we have reintegrated 7 children back into mainstream schools since January and we are pleased that they are still doing well.

We sadly come to the end of our project with Jen Coady from Moving Matters who has delivered excellent PE sessions from September. Her focus has been to coach the staff and help us to improve the children's levels of fitness and engagement. She has worked 200% and the results have been fantastic. We used our Sports Grant funding for this and hope to have Jen back in September.

May will be an important time as we will be ensuring our Y2 and Y6 pupils take their end of key stage tests (KS1 and 2 SATs). Our Y6 pupils will also spend terms 5 and 6 preparing for secondary transfer and we will be inviting their secondary schools in to meet the children and take part in handover meetings. Time will fly.....

I hope you enjoy reading the newsletter –especially the contributions made by the pupils.

I would like to end by thanking all the staff at the KPA for their continuing hard work and commitment and our parents and carers who support us and their children so well.

Anne Sturman

Principal

Our trip to Kew Gardens

In term 4 we all went off to Kew Gardens and took part in workshops as well as having time to explore the gardens for ourselves. Some of us were brave enough to walk above the trees and we enjoyed the different greenhouses and areas. This trip supported our work on Geography as we have been working on maps and we were able to find out interesting facts about the countries we have studied.

This flower is from a banana plant.

Mothering Sunday - What my mum does for me:

- She cooks great cheese burgers with chips and peas.
 - She takes me shopping for Lego and cake.
 - She makes a trip to fun places.
 - She lets me go to the park with my friends.
 - She lets me go to my friends' house.
 - She lets me go on my trampoline.
 - She gives me £35.55p a month.
 - She buys me hot chocolate every morning.
 - She gives me 55p after school. (By Anthony)
- 
- She's the best which is why I love her.
 - She cleans for me which I don't have to do.
 - She buys me stuff which I like.
 - She cooks Mac and Cheese which I love.
 - She takes me shopping which makes me happy.
 - She makes me better with her kisses.
 - She gives me money which helps me save.
 - She helps me with my homework which saves me lots of time.
 - She encourages me to keep on going which helps me go further.
 - She supports me on anything I do which really helps me.
 - She washes my clothes which I don't have to do.
 - She loves me a lot which is why I love her.
 - She lets me do stuff which I like.
 - She does what's best for me which I love. (By Nehemiah)

Vinnie's speech

We are proud of our tradition of asking that pupils give a speech on their last day. This is a snippet of Vinnie's. He is now successfully attending Hill Mead School.

When I first came to KENNINGTON

- I WAS A MONSTER!
- I USED TO SHOUT!!
- I USED TO SCREAM!!
- I USED TO STOMP!!
- NOW I'M GOING-I AM NOT A MONSTER
- I'M AN OUTSTANDING BOY
- Now I work hard
- Now I follow instructions
- Now I control my anger
- NOW I'M GOING TO SCHOOL
