

## Swimming : 2018-19

We did not use the Sports Grant to fund swimming in 18-19.

Our aim is to also get as many pupils swimming a minimum of 10 metres as possible (we recognise the NC states that all children should swim up to 25 metres, but we are limited by the mobility of our students). We also view swimming as a way of improving fitness levels.

We targeted Y6 pupils.

Aim	Success rate
All pupils to feel comfortable in the water with/out aids	100%
Pupils to swim 10m without aids –using one main stroke	80%
Pupils to swim 25m without aids –using one main stroke	43%
Pupils to swim more than 25 without aids –using one main stroke	13%
